**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a very concern citizen of California(Vallejo) and its very bad for us if you try and kill off my local broadband provided. There are few of us who use our local broadband/internet provider(Sonic) but we are very happy using them due to the fact that it helps our community and service is more personalized. Unlike using the big companies ... ALL THEY ARE INTERESTED IN IS PROFIT and not customer focus. Besides the more competition in broadband service/Internet service the better price for us customers and more choices too. Thank you.
